

**ENVIRONMENTAL FIELD REPORT (EFR)  
(AUGUST 30, 2012)**

**WHAT IS CHANGING?**

Interpretation of the "Survey Manual – Public Land Surveys"

**WHEN DOES THE CHANGE TAKE EFFECT?**

Immediately

**WHO IS AFFECTED BY THE CHANGE AND HOW?**

This information is being provided to clarify requirements identified in the March 30, 2012 "Survey Manual - Public Land Surveys". You will be affected by this change if you are applying for an amendment to an **EFR application** for linear activities where a disposition has not yet been issued.

**WHAT DO YOU NEED TO DO?**

For the above referenced linear activities, a sketch plan will be accepted with an amendment to an application under EFR. However, for an amendment to an approved disposition, a survey plan must be submitted.
