

CAPL 13th ANNUAL FALL SALMON FISHING ADVENTURE

*EMAIL SUMMARY – **OUR THIRTEENTH ANNIVERSARY!** Great group priced Salmon Fishing trip with superb options, convenience of travel and planning to Langara Fishing Lodge from August 28th to September 1st, 2018 with the low cost being all inclusive of all fishing related costs including direct airfare, accommodation, meals, boats, guides, gear etc. This trip is completely organized and just requiring people wanting to have a great time and catch fish!*

- ⇒ Did you wish you were one of the 62 people that went salmon fishing in 2006 or 77 that went in 2007 or 76 that went in 2008, or 84 in 2009 or the 100 that went in 2010, or 110 that went in 2011, 2012 and 2013, 122 in 2014 and 2015 and 67 in 2016 and 2017?
- ⇒ Did you want to go last year and heard the trip was already sold out?
- ⇒ Did you hear about the direct flight, great service and fishing?
- ⇒ Do you want another chance to trash talk your friends fishing abilities?

Well you are in luck as we are running another trip in August/September 2018 to a premier lodge in the Queen Charlotte Islands.

Whether you are an avid sport fisherman, outdoor enthusiast or looking for something different for yourself, as a group or as a gift for someone, we are pleased to offer groups rates through CAPL for an exciting, first class salmon fishing adventure from **August 28 to September 1, 2018**, to well known, respected and luxurious **Langara Fishing Lodge** ([Langara Fishing Lodge](#)) on the scenic and remote, north western tip of the Queen Charlotte Islands.

Langara Fishing Lodge has the history of over 30 years of fishing with the likes of Bob Hope, sports stars, politicians and community leaders. The area abounds with nature and the opportunities to see whales, eagles, seals, sea lions and sea birds, will surely make this trip a truly memorable experience. The rugged coastline will definitely bring out the adventurer in you and yet the quality of service, food, equipment and accommodations back at the lodge will pamper your inner soul."

These **5 day, 4 night packages with airfare** normally retail for over \$6,000, but we have secured a special group price of between **\$4,200** for no guiding, **\$4,400** for half days guiding, **\$4,550** to all day guided (19 foot boat) or **\$4,850** for full days fully guided fishing in a Blue Guide boat or **\$4,950** in a Grady White). Regardless of which package you select you will be receiving daily expert advice and help and instruction on how to catch salmon, halibut, lingcod and snapper. This price includes everything needed to fish except for additional alcohol, massages, gift shop purchases, fishing license and gratuities. This package price also includes a chance of winning one of **2 free trips to use at Langara Fishing Lodge in 2019**. One trip each will be awarded exclusive to our group for catching the largest salmon or the halibut closest to the target weight! Also this trip will have trophies for the largest Chinook, Halibut and Lingcod to easily secure your bragging rights around the home or office. Additionally our group has a chance to during the Fall Showdown Tournament. The Chinooks and Coho cooperated well in 2017 and we all hope to limit out once again. Additionally there are plentiful halibut, lingcod and snapper in the waters around the lodge and a chance to catch an early Sockeye, Chum, Pink or even a Coho or salmon shark.

You are free to invite friends, co-workers and family as the main goal is to secure 66 interested people to take advantage of this price and the special charter flight. All spots are filled on a first come, first serve basis and for a limited time. I will take a waiting list once all spots are filled. We can accommodate individuals as well as groups and can even put 3 or 4 people into one of the larger guide boats which will make for some fun times and interesting stories for years to come! You will definitely need a camera for this trip!

Please note that we have exceptional value on this trip. As such everything you as anglers can do to help keep costs down is great. Cooperation in sending some fish to St Jean's for processing reduces plane weight load, allows for maximum efficiency for other passengers to save the lodge money and prevents having to ship fish. The direct flight departs Masset and while a 737-500 can take off and land the runway is shorter and as such takeoff weights are critical and wind and weather and wet runways can decrease the safe weight load for the plane. One pound packaged fish is way more convenient to use and the smoked fish products are awesome!

Please note, the biggest draw here besides the fishing, price and the location is the **DIRECT RETURN FLIGHT** from Calgary to Masset. We will receive proven super convenience and exceptional time savings by having this charter flight.

Please take some time to consider this opportunity and let me know how many spots you want reserved. This may make an excellent corporate get away or just a fishing trip of a lifetime! This trip, ranging in price from \$4,100 to \$4,550 depending upon your guiding preferences are all inclusive with tax (excluding alcohol and gratuity) and includes such things as standard fishing gear, fishing license, fish cleaning, packaging, freezing and shipping, excellent rain gear, boat, guide, airfare to the Queen Charlottes, awesome helicopter trip to the lodge, transportation, all meals etc.

If interested in securing a spot, please contact **Kevin Egan** direct at 298-6194 or via email at Kevin.egan@huskyenergy.com to discuss. Please forward via email the names, addresses, phone number, emails of all those interested along with forwarding a non-refundable deposit check in the amount of \$2,000 payable to “**2018 IWANTTOFISH Salmon Trip**”. The balance will be due before the end of April 2018. Please note that in the past these trips have filled up in 3-7 days.

I _____ wish to attend this August 28 to September 1, 2018, trip and herein enclose my check in the amount of \$2,000 to guarantee my spot.
