Dear Invited Guest:

I would like to thank you for attending Alberta Energy's second annual Open House on July 13, 2016.

It was my pleasure to host this event, which gathered individuals representing perspectives and interests across Alberta's energy sector. It was a great opportunity to see many of you whom I have worked with over the past year, as well as to develop new relationships. It was also my pleasure to introduce you to Alberta Energy's new Deputy Minister, Coleen Volk.

Our government has worked with many of you on noteworthy issues, including the development of Alberta's ambitious and dynamic Climate Leadership Plan and Alberta's Royalty Review Framework. I appreciate your contributions to these initiatives and all of the work you do to make Alberta great.

I look forward to continuing to work with you to help Alberta succeed as a progressive energy producer, now and into the future.

Sincerely,

Margaret McCuaig-Boyd
Minister of Energy
