Employment History

Freemont Resources Ltd. – Vice-President, Land
March 2012 – September 2015

In this position, along with the executive team I planned, directed and coordinated the development of the organization's lands programs and strategies and also maintained industry contacts on behalf of the Company. Have negotiated and processed oil and gas deals such as farmins, farmouts, poolings and purchase & sale agreements. Coordinated all legal matters and was responsible for the Company's land department, in addition to providing leadership to the land administrator, Managed all surface and subsurface land functions, lease acquisitions, negotiations, records, lease payments and contract monitoring. I coordinated and acted as liaison between all departments. As a member of the executive team, successfully acquired and disposed of numerous major properties for the Company and successfully sought out many business opportunities for the corporation from exploration prospects and acquisitions to joint venture partners. Reported directly to the President and CEO.

Land Consultant

January 2011 – March 2012

As a Land Consultant, I consulted for various oil & gas companies. I provided all facets of land related duties from surface and subsurface land functions, lease acquisitions, A&D to negotiations of oil and gas deals. During this time I consulted for Fortune Energy Inc., Niven Fischer Energy Services Inc. and Freemont Resources Ltd.

Fortune Energy Inc. – Vice-President, Land

April 2000 – December 2010

In this position, along with the Vice-President of Exploration I planned, directed and coordinated the development of the organization's lands programs and strategies, within the Company's established policies and objectives. In addition to maintaining industry contacts on behalf of the Company, I also negotiated and processed all industry standard oil and gas deals. I was also responsible for the Company's Land Department and mentored the land administrator. I successfully acquired and disposed of major properties for the Company and I reported directly to the President, with the last six years reporting to the CEO.

Dominion Energy Canada Ltd. – Land Manager – Alberta Asset Team

June 1998 – March, 2000

In this position, I reported to the Vice President of Asset Management, I lead and supervised all land negotiations on behalf of Dominion in their Birch Wavely and non-core areas in Alberta. I maintained and expanded industry contacts on behalf of the Company and instigated and directed industry evaluations of lands not being pursued by Dominion. I actively participated in the planning, directing and coordinating of the Company's land program and its strategies, in accordance with the companies established policies and objectives. I negotiated and processed numerous oil and gas deals for the Company.

**Omega Hydrocarbons Ltd. - Manager - Land
Inuvialuit Petroleum Corporation - Land Consultant**

August 1990 – June 1998

I worked as Land Manager for Omega from August 1990 to November. 1995, I reported to the President and as a member of the senior management team, I participated in the planning, directing and coordinating of the Companies land program and its strategies. The management and supervision of a staff of six, along with the leadership for all land negotiations fell within my sphere of responsibility. At Omega I negotiated and processed numerous oil and gas deals. I acted as liaison between departments and supervised all aspects of the land department both surface and subsurface. Omega was taken over, in November, 1995, by Inuvialuit Petroleum Corporation. I consulted for Inuvialuit Petroleum Corporation for two (2) years and after that period I consulted with a number of other companies with Enerplus and Dominion(Archer) being my major clients. While consulting at Dominion a full time position with the company was offered.

**Erskine Resources Corporation - Manager – Land
Mark Resources Inc. - Landman**

December 1987 – August 1990

Page Petroleum Ltd. - Land Manager

May 1980 - November 1987

Petromark Minerals Ltd. - Landman - Land Manager

April 1976 - April 1980

Western Decalta Petroleum Ltd. - Landman

September 1974 - March 1976

Business and Professional Associations

Canadian Association of Petroleum Landmen - active member since 1975
American Association of Professional Landmen - active member since 1977
Commissioner for Oaths in and for the Province of Alberta
