October 4-5 - Appalachian Land - Washington, PA

October 11-12 - Gulf Coast Land - Lafayette, LA

AAPL Independent Contractor Workshop

The AAPL Independent Contractor Workshop presents landmen with a comprehensive source of important tax, legislative & regulatory information for brokers & independent landmen. It offers guidance on how to model your business to comply with tax regulations, how to prepare if you're facing an audit, and serves as a guide on tax and independent contractor laws throughout the U.S. that may affect your business practices.

Contact srickels@landman.org if you are interested in this one hour workshop for your local association event.
